

Cookie Dough Recipe

- *As seen our blog*

RECIPE BY

~ Abigail, United States

Ingredients

- 1 cup unsalted butter
- 1 cup sugar
- 2 large eggs
- 2 teaspoons vanilla extract
- 1 1/2 teaspoons cinnamon
- 3 cups all-purpose flour
- 2 teaspoons cream of tartar (or substitute for 3tsp lemon juice)
- 1 teaspoon baking soda
- 1 teaspoon salt

Directions

1. Preheat your oven to 375°F (190°C).
2. Cream together the butter and sugar until light and fluffy.
3. Add the eggs, vanilla extract, and cinnamon and mix until well combined.
4. In a separate bowl, combine the flour, cream of tartar (or lemon juice), baking soda, and salt.
5. Gradually add the dry ingredients to the butter mixture and mix until a dough forms.

6. Roll the dough out on a well-floured surface to approximately $\frac{1}{4}$ inch (just over $\frac{1}{2}$ cm) thick.
7. Have fun cutting out shapes with your child using cookie cutters, container lids, or even play-dough stencils.
8. Place the cookies on a baking tray and bake at 375°F (190°C) for 10–12 minutes, or until the bottoms are lightly golden brown. For crispier cookies, bake a little longer (dads recommendation).
9. Allow to cool slightly before enjoying.
